

YLN LIBRARY NETWORK MANAGER'S MONTHLY REPORT

October 2012

LIBRARY NETWORK MANAGER'S LOWDOWN

The AZCODI (Arizona Customers of SirsiDynix) meeting was held in Prescott Valley this fall and it was a great success. A special thanks to Ted Johnson at PVPL for all his efforts. The AZCODI meeting is a great way for library staff around the state to take a look at new SirsiDynix Symphony features and products in production. The breakout sessions also give an opportunity to see how other libraries are getting things done. If you have not attended one of these meetings, I strongly encourage you to in the future.

Chanel also went to the VuFind Summit. She had several opportunities to chat with VuFind users from around the world. She discovered several institutions utilizing VuFind which have far more complex configurations than we do. She concluded that we should skip ahead to VuFind 2 which is currently in beta. She will be working on making the functionality of VuFind 2 match our current VuFind software. Development of the VuFind 1.3 version will cease.

Over the next few months I will be gauging the interest of school libraries joining the YLN. I have meetings planned for November and will try to get the word out about reduced costs to several other districts as well. I will pursue an LSTA grant in the first part of 2013 to cover startup costs for new members. While I have no guarantee we will receive such a grant, we have been successful in obtaining them in the past.

Respectfully Submitted,

Corey Christians

Library Network Manager
